ACTION POINTS

1 - Visit NetworkPharma.careers and check your own details - use the **Showcase** menu at the top or visit **Employers' Details** at <https://networkpharma.careers/employers-details/>

IMPORTANT

- are any logos correct? Is the text correct? Is the link back to your web site correct?
- at the top of your Profile Page, we'd like to place an image of your print Ad that we will then use in the exhibition guide - have you sent us your Ad? (the deadline is 31 August).

2 - Having checked the accuracy of the online information, do you want to add to it? We can update the copy as often as you like, whenever you like. Keep it simple, but within limits the content management system is highly flexible. Feel free to explore options with us.

3 - What else can we do together to shout about the event and about your involvement? A webinar anyone? What about interviews with people who will be present at the event so the message can go out to come and meet in-person on 19 September etc. Talk to us about what else we can do to support you. Tell us about what you do for yourselves.

IMPORTANT - use **hashtag #MedComms wherever possible**, to amplify the message.

4 – Do as much as you can to help spread the word out to all wannabes. Leverage your own contacts at the Universities. Point everyone at <https://networkpharma.careers/>

5 - If you've booked extra rooms, you'll deal directly with the Radisson to finalise details.

IMPORTANT – don't forget to tell us what you are doing, as soon as you can, so we can support you and include details in the agenda!

6 - We will need as final a list as possible of your own staff attendees (name and contact email) by 9 September latest (we would prefer your staff not to sign up via the web site) so we can accurately assess catering numbers and to include them in final communications.

IMPORTANT - if you invite delegates to sign up directly for your own activities, we need as full a list as possible (name and contact emails) by 9 September to assess overall numbers, so we have as complete a central list as possible of total event registrations.

7 – Join us if you can, from 21.30 for an informal free networking and drinks reception on Sunday night at the Radisson... and relax.

8 – Be ready to enjoy yourselves on Monday! It'll be busy, but hopefully very worthwhile.

9 – Afterwards, reflect and send us your comments and feedback. If we survive this one, will we do another one? If we do, how will we do it differently?

Now, read the following and if you have any questions, please contact Peter Llewellyn...

BASICS

Key contact: Please reach out at any time, before, during or after the event with any questions to Peter Llewellyn, NetworkPharma Ltd, tel +44 (0)7860 835450 email peter@networkpharma.com

If you have booked additional space, you will have contracted directly with Rebeca Redondo at The Radisson and then passed on to our Meetings Coordinator on site, Angie Alonzo, who will finalise your requirements with you, for instance any signage.

Venue: Radisson Hotel & Conference Centre London Heathrow, Bath Road (Building A), West Drayton, Heathrow, London, UB7 ODU, United Kingdom

See a video walk from Orbiter Centre to Aviator Centre at <https://youtu.be/ktJtZGwtK1Y>

This event will occupy all the meetings space throughout the two conference centres.

Orbiter Conference Centre – Registration and the main hub of the event. The Main Exhibition Hall is all the area marked 11 and 15. Rooms 17, 18 and 19 will be used for a variety of informal educational workshops and panel sessions being staged by the event organisers.

Additional spaces have been booked by exhibitors to add relevant activities into the overall show. Free refreshments will be provided throughout the space.

Syndicate rooms – 20 identical spaces, booked individually by exhibitors, each room seats 10, board room style, for private one-to-ones, small group discussions and so on.

Aviator Conference Centre – 10 individual rooms, various sizes, booked individually by exhibitors, for workshops and similar activities.

There is also extensive, informal, lounge space freely available to use as needed, though the hotel can be busy at times during the day.

NOTE all the extra meetings space has now been booked.

Remember the idea is anyone from anywhere at any time can find out about the business online, and about you, track back to more in-depth information, and decide if they then want to attend on 19 September when it is all about meeting the people.

If you have any questions at any time, please contact Peter Llewellyn.

YOUR EXHIBITION SPACE

We'll be open to set up the exhibition from 07.00, Monday 19th September.

The event opens at 08.00 with plentiful supplies of appropriate refreshments for all.

IMPORTANT - The exhibition space won't be very precisely defined, and tables won't be pre-booked. Get there early to claim your table. They are all the same. Keep it simple.

You will all simply shuffle around each other to make best use of the space. Think in terms of having the space around a standard 6-foot trestle table and couple of chairs. So bring a desk-top display banner, or eg one or two 0.8m wide x 2m high pull-up banners alongside, or a modular pop-up to sit behind the table, (so they are about 2.5m wide x 1m deep).

Dimensions of the table: 183 cm long x 76 cm deep x 65 cm high

The tables will already be covered, but you may want to bring your own branded tablecloth

Power and WIFI shouldn't be a problem.

NOTE Lunch will be provided in the main exhibition hall from 12.45-14.15

We formally close the event at 18.00

Wrapping up should be quick and easy, so please leave it as late as you can. We're running a free bar in the exhibition hall until 18.00 and currently there is no event planned after ours, so hopefully we will finish in a reasonably relaxed if informal fashion.

PRINTED EVENT GUIDE

We are providing delegates with a simple printed event guide (also available online) in which we will include as much as we know about the agenda and details of the exhibitors.

We would like to include a display Ad from all exhibitors (if we don't get an Ad then your company name and web site address will still be included for reference). So, if we don't already have one, or if you want to update what we have, we'd like your final print quality display Ad as soon as possible. The image of that Ad is then being used on your Profile Page.

<spec>

Please supply pdf artwork, spec = 125 mm high x 180 mm wide, 300 dps, 4 colours, CMYK. If you include a phone number in your Ad then please use the international format - ie +44 etc)

Note final deadline for any new material for the event guide is 31 August 2022

If you have any questions at any time, please contact Peter Llewellyn.

Delivery details

You can send packages to arrive the week before the event, to:

Radisson Hotel & Conference Centre London Heathrow, Bath Road (Building A), West Drayton, Heathrow, London, UB7 ODU, United Kingdom

Clearly marked "For NetworkPharma.careers event, 19 September" and with your company name clearly showing. Label packages 1 of X, 2 of X etc

Packages will be delivered to the registration office in the Orbiter Centre to await collection from 07.00 on Monday 19 September

Who is coming?

It's impossible to know how many people of what level will attend on the day. This event is very unlike anything we've done before in our sector and is open to all. The simple aim is to have as many relevant people there as possible. Of all sorts. We've paid for 300 participants and we're aiming for 400. We've room for more. The more the merrier.

Miscellany

- 1 - We are giving delegates a sticky name badge and letting them write their own name however they like. So, it may be worth providing your own staff with branded name badges.
- 2 - Please DON'T pin/stick anything to the walls.
- 3 - If you've a Syndicate Room, please DON'T put banners or other furniture in the corridor!
- 4 - There is plenty of complimentary car parking (do make sure you register your vehicle on arrival and again each subsequent day of your stay)
- 5 - If you come by plane, train or bus to the central terminus, then local buses run constantly and drop you on the road across from the venue.

If you have any questions at any time, please contact Peter Llewellyn.
